

The renowned Atrium Restaurant revitalised after 25 years

The iconic Atrium Restaurant which has been renowned for its extensive seafood buffet and long-term commitment to Queensland's world-class produce and culinary expertise, will be closed between May - August for complete redevelopment.

Reopening September 2011 the reimagined Atrium Grill will be at the fore-front of the Hilton Brisbane's long-term commitment to Queensland's world-class produce and culinary expertise. The state's superb seafood and beef is exported world-wide, and guests will be able to select their ideal serve of properly aged steak from a display cabinet, and have it cooked to order on the open grill.

To complement, the Wine Room is a wine-lover's paradise and a focal point of the Atrium Grill, offering the ideal environment to browse and select by the glass or bottle from a hand-picked collection of Australian and international labels.

We are excited and look forward to welcoming you to experience the Atrium Grill in September 2011.
