Your guests enter this special world via a dedicated hotel entrance and are spirited away from the busy comings and goings of the hotel to a private, boutique-style oasis complete with stylish pre-function area.

Whatever special occasion you're celebrating, you'll enjoy Hilton's renowned repertoire of fine cuisine, and indulgent 5 star pampering from staff who anticipate your every need and can deftly transform your special theme or décor wish into life, creating a truly memorable celebration.

Complementing boutique-style Level 8's facilities is the extensive range of event space of Level 5. This 2500 sqm state of the art, purpose-built event floor accommodates up to 2000 delegates and offers a range of small meeting rooms as well as expansive pre-function areas and two elegant ballrooms.

'The extensive and dare I suggest expensive, refurbishments to the Brisbane Hilton have made it a serious and preferred contender for our most significant conferences. In particular the reconfiguration of meeting spaces, the new technically advanced and self-contained meeting rooms on Level 8 and the cool atmosphere that resonates throughout the entire hotel have transformed the Brisbane Hilton into one of the best conference venue choices in the country. We love it!'
