

The Caledonian Hilton Refurbishment

As we strive to further enhance our guests' experience, the hotel will be commencing a refurbishment programme in October, 2011. The main areas affected will be some of the bedrooms and our public areas. During this time, access to the hotel will remain the same from the corner of Lothian Road and Rutland Street but kindly note that both Chisholms Restaurant and Henry J Beans Bar & Grill will be closed. Guests can still enjoy Lunch, Afternoon Tea and Dinner in the hotel's Pompadour Restaurant, served seven days a week.

The hotel will not be able to offer guests car parking facilities. There is an NCP car park, located in Castle Terrace which is a three minute walk from the hotel. The address and post code for this NCP car park is Castle Terrace North Road, Edinburgh, EH1 2EW.

Please feel free to contact the hotel directly on 0131 222 8888 or by email, guest.caledonian@hilton.com if you require any further information.
