Supporting young people worldwide

In 2011, Hilton in the Community Foundation is proud to celebrate its 10 year anniversary. We are committed to supporting children and young people who are most in need to have a brighter future.

Under the banner 'Supporting Young People Worldwide', as the official charity of Hilton Worldwide in Europe, HCF is dedicated to making a real difference to those most in need, wherever Hilton operates.

Thanks to the support that we receive from Hilton Worldwide, all central administration costs are funded, so every net £1 or €1 we raise goes directly to charitable causes. This has meant that since 2001 more than £9 million has been raised and donated to charity.

Thanks to everybody's help, HCF has been able to support more than two and a half million children and young people
