Hilton Malmö City

A stupendous view greets you from every room. Step out of the hotel, and you'll find yourself in the heart of Malmö, with everything a big city has to offer, at your feet. Enjoy your stay in a spacious 25m²/269sq.ft room. All 216 rooms are individually air-conditioned. On the 20th floor you'll find our gym- and fitness centre. If you want you can combine your physical workout with a sauna and/or massage. For guests arriving by car we have a garage right under the hotel for quick and easy parking.

Restaurant

The Lean Grill & Bar is the hotel's natural meeting place and the perfect place to enjoy a delicious lunch, an espresso, dinner in the evening, or something tempting from the bar. The Lean Grill & Bar is a popular meeting point for our hotel guests and also for Malmö residents. If you'd prefer a drink, a light snack or a full meal in your room, our Room Service is available 24 hours a day.

Conference

The hotel has a large number of technically well-equipped rooms of varying sizes for conferences, meetings, trade fairs and banquets. With 16 meeting rooms for up to 450 delegates, Hilton Malmö City is the first choice for meeting organisers in the region.
